Okay, in this tutorial, I'm going to show you how to make a voucher book in Corel Draw. If you are interested in learning how to create a voucher book in any version of CorelDraw, including CorelDRAW Standard 2021 and CorelDraw Suite X3, this tutorial will make a lot of sense. So, let's start! I'm using CorelDraw Standard 2021. There are two key tutorials on this issue. The first is this one posted back in 2014, titled: "CorelDraw 11 Best Practices | How To Make A Beautiful Bill Book In CorelDraw". The second is this one titled: "How To Make A Voucher Book In CorelDraw". Both tutorials were written by the same person, Craig T. Many designers use different applications like Adobe Photoshop, Adobe Illustrator, CorelDraw, CorelDRAW, and many more, to help create graphics for everything from flyers to banners, websites, letterheads and more. Even if you only use one of those applications, there are a lot of ways you can create a great graphic. This tutorial will show you how to create a voucher book using the following files: 1. Voucher Template.png 2. Template for Corel Draw Free.zip 3. Voucher.dwg Note: If you don't already have the Corel Draw Suite, you can download that software for free from this link: Okay, in this tutorial, I'm going to show you how to make a voucher book in Corel Draw.
